

Our Facilities

The school provides classrooms that are each equipped with whiteboards, desks and chairs. In addition, air conditioners have been installed to provide greater comfort and create a conducive environment for learning. Within the school we have unique purpose-built facilities such as: Ocean Snoezelen Room, Occupational Therapy Gym, Small library, Private Counselling Suites, Kitchen and Canteen. The floor area and capacity of each classroom is as given below:

The Integrated International School fosters community use and is conveniently located among playgrounds, parks and sports facilities (such as a basketball court and badminton court). Our outdoor spaces are only a 5-minute walk away from our premise! Additionally, we have our own outdoor recreational area (ORA) where students enjoy daily outdoor learning experiences.
