Proprietor of course, person conferring award and country established	<p>Cambridge Assessment International Education from the UK awards a Certificate of Completion to the student upon passing necessary examinations.</p> <p>Integrated International School awards a Letter of Completion upon request from the student who has successfully completed the course.</p>
Description of course and structure	<p>Students must take the two core modules of English and Mathematics, and then must select four additional modules.</p> <p>Modules developed by Cambridge Assessment International Education</p> <ol style="list-style-type: none">1. Accounting2. Business3. English4. Information Technology5. History6. Psychology7. Mathematics <p>The Cambridge International A Level is typically a two-year course, and the Cambridge International AS Level is typically one year. Our flexible course of study provides students with the opportunity to choose from different subjects in addition to the two compulsory subjects of English and Mathematics. This flexibility allows our students to individualise their learning to fit their interests and strengths. Cambridge International AS & A Level programmes combine an emphasis on mastering subjects in depth, at the same time as developing skills for study and work in the future.</p> <p>At IIS, the AS & A Level syllabi support to develop learners who are:</p> <ul style="list-style-type: none">• Confident in working with information and ideas - their own and those of others• Responsible for themselves, responsive to and respectful of others• Reflective and developing their ability to learn• Innovative and equipped for new and future challenges• Engaged intellectually and socially, ready to make a difference
