

# INTEGRATED INTERNATIONAL SCHOOL

**ENROL  
NOW**

# We Redefine Success

Founded by Clinical Psychologist and Child Expert, Dr Vanessa von Auer in 2009, the Integrated International School (IIS) is all about embracing individuality and encouraging uniqueness. IIS provides a tailored syllabus based on the British Curriculum while taking on an individualised approach to education. By creating a safe, inclusive and personalised learning environment, we enable students of all abilities to **Redefine Success** for themselves and achieve their full potential.

## IIS at a Glance

City Campus in  
Singapore's Central  
Business District

Internationally  
Recognised  
Curriculum

Programmes  
from Early Years  
to Grade 13

High Teacher to Student Ratio  
Primary 1:6 / Secondary 1:6

In-house Therapies  
and Counselling

Teaching Approach™

Individualised  
Education  
Plans (IEP)

# Our Unique Curriculum

Every student is unique, with different learning needs, styles and strengths. To ensure each student receives an education that prepares them for the future, we offer flexibility in all learning styles, based on the foundations of the British Curriculum.

**Pearson  
Edexcel**

Approved Centre

**CAMBRIDGE**  
International Education

# One-stop Support Services

Since we believe in holistic education, students who need some additional learning support have access to our team of support specialists. These professionals provide services such as counselling, psycho-educational assessments, social skills training, behavioural interventions, speech and occupational therapy to ensure the holistic well-being of every student.
