English Language A or English as a Second Language (ESL)2. Mathematics A3. History4. Accounting5. Business6. Information and Communication Technology <p>The IGCSEs are globally recognised international academic qualifications for our Grade 10 and 11 students. IIS implements our IGCSE programme through the reputed Pearson Edexcel examination body to foster inquisitive thinking and empower our students as global citizens.</p> <p>The Pearson Edexcel IGCSE curriculum offers a flexible course of study, as students have the freedom to choose from different subjects in addition to the two compulsory subjects of English and Mathematics. This allows our students to tailor their studies to their interests and strengths. The Pearson Edexcel IGCSE curriculum is developed to encourage students to think critically and acquire problem-solving skills while simultaneously broadening their subject knowledge.</p> <p>At IIS, the IGCSE curriculum supports students to develop a range of transferable skills such as problem-solving, critical thinking, leadership and collaboration. These skills will ensure that students are better equipped to access higher levels of academic study and will be able to demonstrate highly sought after skills to their future employers.</p>
